ELECTIVE CLASSES

Students in the Traditional Program will automatically be placed in the Exploratory Wheel.

All students please select one additional elective below by marking an X on the line.

_____ **Exploratory Wheel (A06A, D06, P06A, G06)** In the Exploratory Wheel students rotate through Exploratory Art, Exploratory Computers, PE and Health.

_____ **Band 1 (N21)** _____ (instrument)

_____ **Orchestra 1 (N24)** _____ (instrument)

_____ **Choir (N15)**

_____ **Applied Science (S09) and Leadership (X60)**- These multi-age electives are one semester each in duration and taken as a pair. The **Applied Science** class provides an opportunity for students to extend their knowledge of scientific concepts by working on real-world problems and issues. The course focuses on developing problem solving and cooperative work skills. The **Leadership** class provides an opportunity for students to find their voice and the courage to speak up, becoming civically engaged and emerging leaders within their school and community.
