

Good morning Casey parents,

As we progress through the school year it is natural to fall in to the routine of each day. We wanted to refresh you, and your child, of the expectations pertaining to Late Start (Wednesday) mornings. These expectations are also posted on our Casey website.

Students do not have to attend Late Start. Wednesday classes begin at 9:53am and students may be dropped off as early as 9:40 for 2nd period.

Students may also arrive as early as 8:15am to participate in our Late Start before school activities. Please note that if a student is brought to school by a Boulder Valley School District bus (or their parents) before 8:40 for Late Start activities they are expected to stay in the school building. They may **NOT** leave campus or play outside.

To ensure ultimate student safety, please help us by reminding your child(ren) of the Late Start rules. If you have any questions please contact Casey Middle School.

Thank you for your ongoing support.
